THE ROOTS

Kate Rena began her musical journey with classical cello lessons, but her true passion was songwriting. At 13, she taught herself to play the guitar and started writing her own songs.

In 2006, she had the opportunity to present one of her songs live on Australian radio for the first time. In 2009, she won the SpardaYoungTalent Award and gained her first studio experience.

In the following years, Kate continued to refine her musical style while pursuing her education and studies.

MILESTONES

In 2017, Kate took a career break to fully dedicate herself to music. She took vocal lessons in New York, played several gigs there, and released her debut album "First Steps Forward".

In 2019, she was awarded the title of "German Country Star" (Newcomer). Since then, she has been regularly releasing Americana-style singles, blending guitar and cello sounds, that she all composes and plays by herself.

Since over 300 live gigs, she captivates audiences on stage with her engaging presence and moving voice.
